GPO ISSUES DIGITAL RELEASE OF HISTORICAL CONGRESSIONAL RECORD FOR THE 1970S

Washington – The U.S. Government Publishing Office (GPO) partners with the Library of Congress to release the digital version of the bound Congressional Record from 1971-1980 on GPO's **govinfo** (www.govinfo.gov). This release covers debates and proceedings of the 92nd thru the 96th Congresses. This era of Congress covers historical topics such as:

- The Administrations of Presidents Richard Nixon, Gerald Ford, and Jimmy Carter
- Passage/ratification of the 26th Amendment (allowing 18-year-olds to vote)
- Watergate
- The end of the Vietnam War
- The Bicentennial
- Civil Service Reform Act of 1978
- The Iran Hostage Crisis
- OPEC and the Oil Crises of the 1970s
- Title IX Amendment of the Higher Education Act

"This latest digital release the Congressional Record now gives the public easy access to the historic debates of Congress from the 1970s to today on smartphones, tablets, laptops and personal computers," said GPO Director Davita Vance-Cooks. "GPO is honored to partner with the Library of Congress to continue to meet the needs of Congress and the American people."

GPO is the Federal Government's official, digital, secure resource for producing, procuring, cataloging, indexing, authenticating, disseminating, and preserving the official information products of the U.S. Government. The GPO is responsible for the production and distribution of information products and services for all three branches of the Federal Government, including U.S. passports for the Department of State as well as the official publications of Congress, the White House, and other Federal agencies in digital and print formats. GPO provides for permanent public access to Federal Government information at no charge through www.govinfo.gov, partnerships with approximately 1,150 libraries nationwide participating in the Federal Depository Library Program, and our secure online bookstore.
