## CONGRESSIONAL PICTORIAL DIRECTORY AVAILABLE ON GPO'S GOVINFO

WASHINGTON – The U.S. Government Publishing Office (GPO) makes available the Congressional Pictorial Directory: 116th Congress on GPO's **govinfo**, the one stop site to authentic, published Government information. The Congressional Pictorial Directory, which was designed and produced by GPO, includes a color photograph of each Member of the House of Representatives and Senate. It also details information on each Member, including their length of service, political party affiliation, and congressional district. The Congressional Pictorial Directory features pictures of the President, Vice President, and House and Senate officers and officials. The publication is free for members of the public to access and download via govinfo, and the print edition is available for purchase on GPO's online bookstore.

“The Congressional Pictorial Directory is one of the key publications for every Congressional staffer,” said GPO Director Hugh Nathaniel Halpern. “Completion of this project represents GPO's commitment to providing value and exceptional customer service to Congress. Meeting the needs of our customers is the number one priority of the GPO team, and we are proud to provide the public with free online access to this vital publication.”
